

November 14, 2016

Dear Friend:

We are kicking off our Annual Giving Campaign and hope to count you as a partner in helping us support the North Syracuse Early Education Program, a preschool dedicated to providing the fun, nurturing environment combined with rich, educational opportunities that every child deserves for more than 30 years!

During the past year, many wonderful improvements have come to the Early Education Program. A New York State grant allowed for the addition of new climbing, crawling, and balancing pieces to the playground. The Mary Vaughn Memorial Fund sponsored a paved, outdoor trike town and the purchase of additional tricycles and helmets. The generous support of individuals like you allowed us to build a large storage shed to house equipment. With proceeds from our annual Walk-A-Thon and Therapy Ball, our organization has recently been able to purchase two water-bottle filling stations, supplement the snack program with a weekly fresh fruit offering, and make many new additions to the toy library. At the request of teachers, we will soon be purchasing new iPads, cases, and apps for each classroom. It is an exciting time to be part of the Main Street School community!

Your assistance is crucial to sustaining and advancing the excellence of the North Syracuse Early Education Program. The Annual Giving Campaign benefits every student by providing the funds necessary to make program enhancements possible. Join us in ensuring that the Friends of the North Syracuse Early Education Program can continue to support and enhance the exceptional program at Main Street School by making a tax-deductible donation to the 2016 Annual Giving Campaign. For your convenience, please find the enclosed envelope for returning your gift. Remember that every donation makes a difference, regardless of size. Thank you in advance for your support!

Sincerely,

Jennifer Higgs, President

Catherine L. Podolak, Vice President
