

## 6th Annual Therapy Ball Raises \$12,798

**This year's Therapy Ball was a huge success, raising 12,798.00!** None of that could have been possible without the help of our many donors, volunteers and the teachers and staff at Main Street School. I would like to especially thank **Barbagallo's** for donating the space for the Therapy Ball and to **Gianelli Sausage, Santangelo's Restaurant** and **Wegmans** for donating some of the wonderful food that was served. The volunteers are just too many to list here; however, I would like to give a special thank you to Jessica Kurpiewski for making numerous phone calls and picking up donations from all over Onondaga County. Without her, we would not have received many of the fantastic donations for the evening. Also, to Marie Willis, who sold both admission and kayak tickets for us and took care of my many emails with a smile on her face! I would also like to thank those that worked tirelessly with me on the Therapy Ball Committee: Hal Breon, Bethany D'Alberto, Shari Doherty, Jessica Kurpiewski, Linda Kurpiewski, Catherine Podolak, Jill Smith and Gayle Vinette. The Therapy Ball would not have been the success it was without all of their help!

Again, without all of your help and donations, the Therapy Ball would not be the success that it was and with that, I say Thank You again from the bottom of my heart! I hope to see you all again next year for the 2015 Therapy Ball.

Jennifer Higgs  
Therapy Ball Chairperson

# THE THERAPY BALL

...having a ball with friends is great therapy!

### Our Mission

*The Friends of the North Syracuse Early Education Program (FNSEEP) is dedicated to supporting and enhancing the North Syracuse Early Education Program. We are a tax-exempt 501(c)3 organization.*
