

The mural
looks like this.

"Buy a Tile, Leave a Legacy!"

You are already an important
piece of our past, now become
a key piece of our future.

The mural, located just inside the school's main entrance to
welcome visitors, is 96 tiles painted to form the NSEEP bear
mascot and has an accompanying donor plaque with 96 plates.

When you purchase a tile for \$100 each, you get to have your or your child's
name on the donor plaque [you may use up to 30 characters including spaces].
Fill out the form below and return to the school with your payment. **Thank you!**

Quantities are limited!
