

January 01, 2018

Dear Friend,

I am writing to request your support of our efforts to raise funds for our 3rd Annual Get Active Walk-A-Thon. The goal of this event is to promote getting children active and healthy, especially during the winter months of Central New York, while raising funds to enhance the Early Education Program at Main Street School. This program ensures that preschool graduates are kindergarten-ready; and children with disabilities frequently require reduced or no special education services.

The Get Active Walk-A-Thon will take place on March 2 2018, at Main Street School. The children will participate in walking laps around the gym, followed by three different activity stations to give them the opportunity to learn a variety of fun and healthy, physical activities. Last year's Get Active Walk-A-Thon raised enough funds to purchase two water bottle filling stations. Our goal this year is to raise enough to continue funding our healthy snack program, the cooking activities in the classrooms, and equipment and building needs.

We respectfully ask that you contribute to our cause. While we are ideally looking for monetary sponsorships, we are also looking for the following items to distribute the day of the event: water bottles, pre-packaged gold fish crackers and gift cards to purchase prizes for the children. Your generous donation in support of the Get Active Walk-A-Thon, will be publicly recognized, and is tax-deductible. For more information, please visit our website www.fnseep.org/walk. Donations can be made thru our website or checks may be mailed to: FNSEEP, 210 South Main Street, North Syracuse, NY 13212.

If you have any questions about the Get Active Walk-A-Thon or prizes, please call (315) 289-8715, or e-mail walk@fnseep.org.

Respectfully,

Jessica Kurpiewski
